

How to Ride the Bus

Look for your neighborhood bus stop. The green, white and blue bus stop sign will tell you which routes stop there and which direction they are going.

Find your route. Use the trip planner or view the route schedules at spokanetransit.com. You can also call 509-328-RIDE (7433) or TTY Relay 711 for more information.

Have exact fare ready. The farebox cannot make change, nor can the driver.

Be sure you are visible to the driver as the bus approaches. Stand as close to the sign or shelter as possible.

As you board, ask the driver for a Two-Hour Pass (transfer) if you need one.

If you don't know which stop you need, ask the driver for help.

When you are one block away from your stop, pull the bell cord to signal the driver to stop at the next bus stop.

Make Sure We Stop for You!

Some tips to make sure you get noticed:

Stand visibly at the stop.

Face the bus and wave to the driver.

Step forward when the bus is a half-block away.

At night, wear light-colored clothing. Use a flashlight or the light of a cellphone to signal the driver.

Buses have bike racks to transport up to three bikes. More information about how to ride with your bike can be found at spokanetransit.com/bikes.
